Beachhouse

Am Meer Zuhause: Mit mediterraner Leichtigkeit holt uns die Kollektion **Beachhouse** entspanntes Ibiza-Flair nach Hause. Damit ist es wunderbar einfach, in **meerblaue Farbwelten** abzutauchen und **natürliche Texturen** zu genießen. Und die sind so weich, wie Pudersand.

Stilvoll, modern, aber nicht zu perfekt gestylt – so lieben wir unser sonniges Beachhouse. Dabei vertrauen wir gerne dem Charme **traditioneller Muster** und ursprünglicher Materialien. Ein **Fliesenmosaik** mit filigranen und kunstvollem Muster darf hier nicht fehlen.

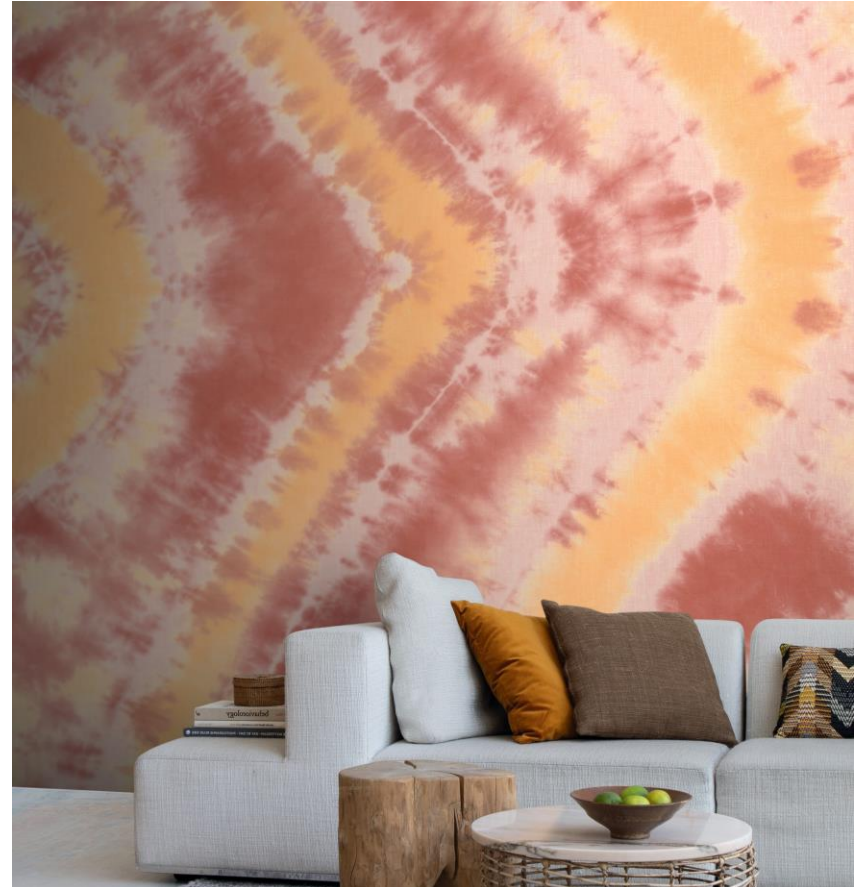

Auch **zarte Pflanzenprints** sind herzlich willkommen, die im Handumdrehen eine einladende Atmosphäre zaubern. Für Mittelmeer-Gefühle sorgt außerdem ein dezentes **Ikat-Muster**, das an der Wand in hellem Grau, femininem Rosa oder sanftem Grün erstrahlt. Damit zusammen kommt, was zusammen gehört, sind alle Designs der Kollektion **farblich aufeinander abgestimmt**. Wer mag, kombiniert einfach verschiedene Uni-Töne oder schafft mit Akzentwänden eine malerische Kulisse. Im Urlaub zu wohnen, ist eben einfach herrlich.
