Nachstellen/Justieren der Türflügel

Trotz fachgerechter Montage der Tür lässt es sich nicht umgehen, das Sie, besonders in der Anfangszeit und bei extremer Witterungsfolge die Gängigkeit der Türflügel regelmäßig prüfen und nachstellen.

Durch Herein- und Herausschrauben der Scharnierbänder ist ein Nachjustieren der Türflügel möglich. Holz ist ein Naturprodukt, daher ist leichter Verzug bei Massivholz-Türblättern leider nie ganz auszuschließen.
