

1

EN Aluminium frame for windows

- 1** Plastic corner connector, simple, drill-free installation
- 2** Easy attachment due to the innovative spring, suitable for all common windows
- 3** Sealing brush - no gap for insects

A diagram showing a rectangular patch on a mesh. A red cross icon is positioned to the left of the patch. Two arrows point from the patch towards the mesh. The word "Patch" is written below the patch.
