

# **DANGER**

## **ELECTRICAL SHOCK HAZARD**

Contact with electrical wire could result in serious injury or death. Do not use near power lines.

## **BEWARE OF FALLING OBJECTS**

Improper usage or abuse could result in serious injury or death. Read and follow ANSI Standard IWCA I-14.1 (Window Cleaning Safety). Make sure work area is clear prior to assembly and use. Care must be taken when extending pole sections. Do not use with loose components. Do not drop or impact pole. Do not operate in high winds. Do not leave pole leaning against the building unattended. Build up pole leaning against the wall and extend the single sections upwards. Never extend the pole laying on the floor and lift up - danger of breakage.
