Random Orbit Sander

**GEX 125**

Comfortable sanding for getting more done

### The most important data

|                      |        |
|----------------------|--------|
| Rated input power    | 290 W  |
| Sanding pad diameter | 125 mm |
| Orbit diameter       | 2.6 mm |

**Order number** 0 601 3A8 020

## Technical data

### Additional data

|                      |                     |
|----------------------|---------------------|
| Rated input power    | 290 W               |
| Sanding pad diameter | 125 mm              |
| Orbit diameter       | 2.6 mm              |
| Weight               | 1.4 kg              |
| No-load speed        | 7,500 – 12,000 rpm  |
| Orbital stroke rate  | 15,000 – 24,000 opm |
| Eccentricity         | 1.3 mm              |

## Noise/vibration information

### Sanding solid wood

|                             |                      |
|-----------------------------|----------------------|
| Vibration emission value ah | 3.8 m/s <sup>2</sup> |
| Uncertainty K               | 1.5 m/s <sup>2</sup> |

# Product data sheet

Power tools for trade & industry

---

## Advantages:

- Superior random orbital sander for comfortable, highly efficient sanding
- Less hand fatigue and numbness ensured by low tool vibration of 3.8 m/s<sup>2</sup>
- Effortless sander control and guidance thanks to well-balanced design
- High material removal rate with 290-watt motor power
- Optimal for sanding wood, paint, plaster, and metal surfaces
