

Car sharing kit

Seamless car-sharing experiences for everyone.

Apart from homes, the Keybox is also compatible with the Car Sharing Kit.

Designed to offer seamless car-sharing experiences, the kit features a Keybox mount and Faraday pouch. The pouch blocks out signals to prevent the vehicle from being unlocked within range.

Transform any vehicle into one that's ready for safe sharing.

UNIQUE FEATURES

Easy installation.

Mount the Keybox onto the plate and hook it to the window of the vehicle.

Designed for rain or shine.

Made with stainless steel alloy, the kit is built to be weather resistant. There's no worry about where you park your vehicle.

Manage your fleet with one solution.

If you're managing a fleet of vehicles, use our Dashboard for access management at your fingertips. You can create a truly seamless car-sharing experience with mobile access. There's no need for physical key handovers or the hassle that comes with it.

Compatible products

Keybox 3 IGK3

The smart lock box for hassle-free sharing.

Keybox 3E SK3E

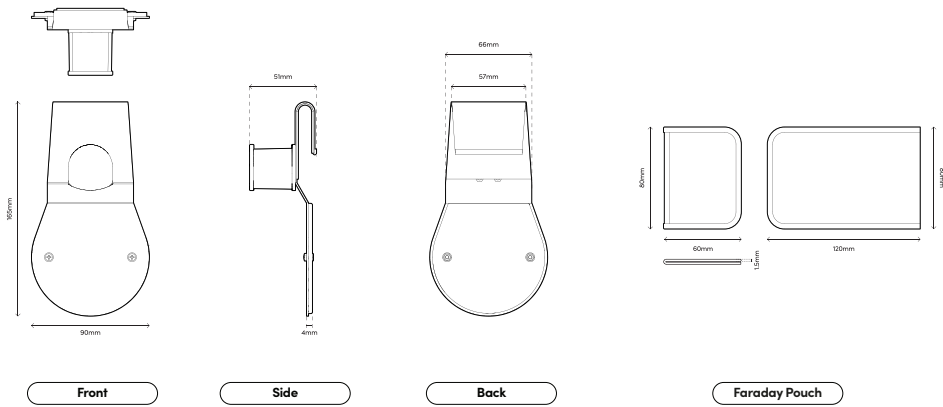

Provide visibility for property managers to manage access on a scalable level.
