

GPSR Label for : Complete set - pumping system, continuous cooler, dry cooler, beer tap - STREAM 50K with air pump, 2-conductive, up to 55 I/h, BLACK EDITION

**Product Name:** Complete set - pumping system, continuous cooler, dry cooler, beer tap - STREAM 50K with air pump, 2-conductive, up to 55 I/h, BLACK EDITION  
**Product ID:** 7122  
**Variation Number:** NEW-6475  
**Manufacturer/Distributor:** ich-zapfe  
**Country of Origin:** Germany  
**Contact Person & Contact Information:** Hr. Stanislav Maer, +49 5151 87798 10, kundenservice@ich-zapfe.de

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
