

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/2534 with regard to energy labelling of household tumble dryers

**Trademark:** HOMCOM

**Model identifier:** B61-010V90SR

**Technology of tumble dryer** Electric air vented

## General product parameters:

| Parameter                                                                                                                | Value          |      | Parameter                              | Value         |    |
|--------------------------------------------------------------------------------------------------------------------------|----------------|------|----------------------------------------|---------------|----|
| Rated capacity (kg)                                                                                                      | 3,0            |      | Dimensions (cm)                        | Height        | 61 |
|                                                                                                                          |                |      |                                        | Width         | 49 |
|                                                                                                                          |                |      |                                        | Depth         | 43 |
