MODELL ECO STANDARD

This exploded view diagram illustrates the assembly of a fence post. The components shown include:

- Post Cap:** A square cap with a central hole, shown at the top center.
- Post:** A vertical rectangular post with a square hollow top.
- Bracket:** A small rectangular bracket with a sloped top, shown at the top right.
- Bolts and Hardware:** A bolt with a washer, a nut, and a washer are shown to the right of the post, indicating they are used to secure the post cap.
- Post Section:** A section of the fence post assembly, showing the post and the bracket attached to its side.
